

December 2006

Dear Friends and Family,

For those of you that do know me, my name is Jim Foulis. I am writing to you today in search of your help. This past April, my father, John Foulis, passed away following a long medical struggle that was the result of a stroke that he suffered about five years before. John was a great man whose selfless efforts brought a great deal of joy to anyone that he was around. He was a beloved husband, a wonderful friend, and most importantly to me, a devoted father. One of his greatest joys was supporting two of my brothers and me as we performed in the King Philip High School music program. John was not a musician by any means, but he saw the joy that the groups brought to us and he did anything that he could to support us.

With my father's passing, a void has been left in the lives' of all of those that he touched, but he will never leave our hearts as long as we remember what he did for us. It is my goal now to continue his legacy and help his memory live strong in a way that he can still touch those that he cared about. With the help of the King Philip Music Association, I will be setting up a memorial book grant in his memory. It is my hope that this grant will be awarded to a student from the music program every year to help them begin their college career. I need your help to raise the approximately \$5000 needed so that the interest will be able to fund the grant for years to come.

Donations in any amount are greatly appreciated. They can be sent to me at 40 King James Way, Wrentham, MA 02093 or can be sent directly to KPMA PO Box 508 Wrentham, MA 02093. Please indicate that your contribution is being made to the John Foulis Memorial Book Grant. Checks should be made out to King Philip Music Association. Your contribution is tax deductible. KPMA's tax ID# is 04-3281707.

Thank you in advance for your generosity. Your contribution will help to make the memory of my father live strong through the students that he loved and supported. If you have any questions or comments, feel free to contact me by phone at 508-813-1929 or by email at foulis.j@neu.edu.

Thank you again,
Jim Foulis
