UNFINISHED BUSINESS:

FY17 Budget Update: Mr. Schaefer

In a memorandum dated, May 2, 2016, Mr. Schaefer is asking the School Committee to consider amending the FY2017 Operating Budget as approved and amended on April 25, 2016 in preparation for the Norfolk Town meeting to be held on Tuesday, May 10, 2016 and subsequent town meetings of Wrentham and Plainville.

Mr. Francomano stated that this is with the understanding that the Administrative Team is putting forward the Wrentham number as the recommendation number. With that said, that means a cut in addition to those identified of $180,000 more out of the budget. The Finance Subcommittee has not given an opinion one way or another where these cuts are made or the additional $180K, and will
make a decision on that based on the final number. We are also waiting to see what transpires on the House budget and seeing what the Senate budget comes up with.

A Motion was made by Mr. Francomano, seconded by Mr. Gee, as set forth in Mr. Schaefer’s May 2nd memorandum, move that the King Philip Regional School Committee approves an FY2017 Operating Budget of $30,224,594 (4.6% increase or $1,322,867) and an Operating Assessment of $21,468,620 (2.73% increase or $570,706). All in favor.

The Operating Assessments shall be:
- Norfolk $7,830,731 increase of $120,931 1.57%
- Plainville $5,036,000 increase of $197,771 4.09%
- Wrentham $8,601,887 increase of $252,002 3.02%

Public Comment: Mrs. Snead asked if the Robotics class was impacted. Dr. Zielinski indicated that it was not at this time. Mrs. Snead expressed concern that the district would be unable to move ahead with the great programs that have led to national recognition. STEM/STEAM should continue to be supported and advanced.

A Motion made by Mr. Gee, seconded by Mr. Francomano, (reluctantly, do not think it is a wise decision to rely on E&D to supplement the operations budget*) that King Philip Regional School Committee amend and approve an appropriation from the undesignated fund balances to support the FY2017 Operating Budget from $150,000 to $850,000. All in favor.

Mr. Francomano commented, and Mr. Killion agreed that this has created a $750,000 hole for next year’s budget; we may not have a choice, but this is not prudent fiscal policy.

Superintendent’s Evaluation: Dr. Zielinski
Dr. Zielinski indicated that by this weekend you will receive an email with the survey and the evaluation instrument with a number of pieces of evidence. She explained that any category that is selected as either “Exemplary” or “Unsatisfactory” to please put a comment. The survey is 47 pages long and members will be able to save and return to complete it as needed.
