Re: Program of Studies 2018-2019

King Philip Regional High School has reviewed its Program of Studies for the 2018-2019 school year and is proposing the addition of the following course:

INTRODUCTION TO MARKETING HONORS and CP (new course)  
GRADE 10  
5 CREDITS

Introduction to Marketing includes coursework and assessment in advertising, sports management, entrepreneurship, and business. Emphasis is on being proficient in areas such as marketing research, promotional planning, and business-to-business finance. Students will be assessed through a completion of a business/marketing plan at the conclusion of the course. Students will be encouraged to utilize real business models as examples on how to create and sustain their business ideas and proposals.

HONORS LEVEL In addition to the requirements for Introduction to Marketing College Preparatory, students will be required to further their studies through enrollment in DECA. As a DECA member, students will be required to complete an activity or research-based assessment and make a competitive presentation at DECA sponsored competitions at the local level. Students may have an opportunity to compete at the international level, but there is no requirement that the student compete at that level. Participation at the state and international levels shall not be considered part of the course grade. This honors level course is intended for students who are interested in majoring in business or marketing at the postsecondary level. Students interested in the honors level must obtain a recommendation from the Marketing teacher and high school principal.

Re: Notification of Updated Website with New URL Adopted by the King Philip Regional School District Committee

Dear Sir/Madam:

On or about October 19, 2010, I notified you, as the Secretary to the King Philip Regional School Committee that the Committee at its meeting on October 18, 2010, had voted to adopt an alternative method of posting notice of meetings under the Open Meeting Law. Specifically, the School Committee voted to post meeting notices on the regional school district’s website, as authorized by 940 CMR 29.03(4)(b). It has since posted all notices in this alternative manner consistent with the requirements of 940 CMR 29.03(1)(b) as to content.

I am writing to notify your office, as well as the clerks in each member town of the regional school district, that the Committee has adopted a new website. The URL has remained the same. The district’s website is located at www.kingphilip.org. From the home page, users can click on “School Committee” under “District” in the top of the page. This will bring them to the School Committee’s portion of the website, where the meeting notices will be posted. The URL for the School Committee page is: www.kingphilip.org/schoolcommittee

Thank you for your attention to this matter. If you have any questions, please contact me.

Very truly yours,

Elisa Barrett Witkus
Secretary to the King Philip Regional School Committee
