COMMITTEE:  School Committee Meeting – Remote Meeting
DATE OF MEETING:  Monday, April 27, 2020
TIME:  6pm
LOCATION:  Remote Meeting
ROOM:  

PURPOSE OF MEETING:
LIST OF TOPICS REASONABLY ANTICIPATED TO BE DISCUSSED

Good evening. This Open Meeting of the King Philip Regional School District is being conducted remotely consistent with Governor Baker’s Executive Order of March 12, 2020, due to the current State of Emergency in the Commonwealth due to the outbreak of the “COVID-19 Virus.” “Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, Section 20.”

In order to mitigate the transmission of the COVID-19 Virus, we have been advised and directed by the Commonwealth to suspend public gatherings, and as such, the Governor’s Order suspends the requirement of the Open Meeting Law to have all meetings in a publicly accessible physical location. Further, all members of public bodies are allowed and encouraged to participate remotely.

The Order, which you can find posted with agenda materials for this meeting allows public bodies to meet entirely remotely so long as reasonable public access is afforded so that the public can follow along with the deliberations of the meeting.

Ensuring public access does not ensure public participation unless such participation is required by law. This meeting will present public comment during that designated portion of the meeting. As directed in the posting, public comment should have been emailed to the superintendent of school prior to the start of the public comment section of the meeting and will be read by the superintendent on the commenter’s behalf.

For this meeting, the King Philip Regional School District is convening by google hangout as posted on the District’s Website identifying how the public may join.
Please note that this meeting is being recorded, and that some attendees are participating by video conference. Accordingly, please be aware that other folks may be able to see you, and that take care not to “screen share” your computer. Anything that you broadcast may be captured by the recording.
