

The Ancient History Covenant

2016-2017

Welcome to 7th Grade History at King Philip Middle School!

This year we will be studying Early Man, Mesopotamia, Ancient Egypt, Ancient Greece, and Ancient Rome. We'll go back approximately 2.5 million years ago and continue on from there!

In order to succeed in this class, you will need to meet a few expectations...

Bring the following to class everyday:

1. _____
2. _____
3. _____
4. _____

How will I be graded?

Each term, you will be graded on a total points system—your total points **earned** divided by the total points **possible**.

Each assignment has a certain point value. Most tests are worth 100 points, while quizzes are typically worth 50 points. Projects can vary depending on the length and complexity. Majority of tests and quizzes will be taken online, through a website called Jupiter Ed.

Homework assignments are worth 6 points each. Half credit may be given for partially completed homework.

You can always view your most up-to-date grade on _____.

What if I'm absent?

On the day of your return, you can find your make up work in your class's colored "While You Were Out" Folder. If something was due on the day you were out, make sure to hand it in for full credit.

Remember: It is **YOUR RESPONSIBILITY** if you are absent!

Practice your heading below:

Passing in Work
