

Algebra 1

Lesson 9.1 – Solving Quadratic Equations by Finding Square Roots

Work for 4/6 – 4/11

Checklist

NOTE: If you have NOT taken the Chapter 8 – Exponents assignment, please complete that as soon as possible. You can find the link on the Google Classroom page (April 1)

Janice McGovern posted a new assignment via Edulastics: Chapter 8 - Exponents

Please complete the following assignments by April 11th.

_____ Review the notes for 9.1 – Part A – Finding the Square Root of Number

_____ Complete the 9.1 – Part A Practice

_____ Review the notes 9.1 – Part B – Evaluating a Radical Expression

_____ Complete the 9.1 – Part B Practice

_____ Review the notes 9.1 – Part C – Solving Quadratic Equations by Finding Square Roots

_____ A video to view that explains how to solve quadratic equations by Finding square roots
