

King Philip Regional High School
2016-2017 Algebra 1 CP

Mr. Geary Room. 232

gearys@kingphilip.org

Course Objective:

Throughout the school year students will exceed common core standards and build a concrete base in Algebra 1 skills to successfully prepare for higher level math courses and real life applications. Students will show a mastery of skills learned in Algebra 1 by utilizing the eight common mathematical practices.

Course Overview:

This Algebra 1 class will provide the students with a rigorous curriculum starting with Solving Linear Equations to Probability and Data Analysis. With establishing a strong Algebra 1 skillset, students will be thoroughly prepared for MCAS in the upcoming years.

Required Materials:

Algebra 1, Holt McDougal, Larson, Boswell, Kanold &Stiff

Three ring binder with paper and 3 dividers. along with a pencil. To be brought to class each day.

Students are recommended to purchase a graphing calculator TI-84. **(Not required but recommended)**

Grading: Term grades are calculated out of a total of one-hundred percent.

Tests	50%
Quizzes	25%
Homework/Notebook Checks	15%
Class Participation	10%

Test/Quiz Policy:

Tests will be given at the end of each Unit. Quizzes will be given periodically throughout a unit. Students must show all work to receive full credit as well as potential partial credit if answer is incorrect. Test corrections and quiz retakes must be completed within one week of initial attempt.

Homework/Class Participation:

Notebooks will be checked for completeness and organization before each unit exam, students are expected to take notes and complete homework assignments on their own. The notebook checks will be graded for completion, organization and effort. A model notebook will be passed around on the first day of class.

Class participation is essential in order to receive full credit.

Extra Help:

Extra help will be Wednesday and Thursday after school, with the exception of teacher meetings or specific cancellations by the teacher. Extra help days are subject to change.
