- It is a roadmap to help me reach my goals. It is all about MY program and is a paper *All About ME!*

- Being a part of my IEP allows me to have a voice about what I want.

Understanding the Parts of My IEP!

Present Level of Performance:

This is where you learn my strengths and needs! Lots of people, including me tell you All About Me in this section!

- *I can tell people what I do really well and help others to understand me using my Good Day Plan and One-Pager.*

Accommodations:

This section lists changes to the building, classes or services I need so that my disability does not affect my learning.

- *I can let others know what I need to be successful and give ideas of ways to help me learn using my One-Pager.*

Annual Goals:

This section shows what I will be working on for the year and it is ALL written down. My teacher and I work together on this section.

- *I can make choices in my programs, tell others what I'd like to finish in this school year.*

Services:

This is a list of special supports I will need to benefit from school and reach my goals.

- *I can make choices about the supports, tools, and services I need to be successful in school using my One-Pager.*

Postsecondary Goal

These are ideas that I have for what I want to do after I graduate/exit school. It might be about a job, more school or training, and where I want to live.

- *I can participate in picking programs that I like and will work hard to do the best I can so when I graduate I can be independent using my Goal Plan.*

Diploma Status:

The type of diploma I am working to get is listed here.

Diploma types include: advanced studied, standard, GED, certificate of program completion, modified standard, or special.

- *I can show others what kind of diploma I will get.*

Participation in Statewide Testing:

How I will take Virginia's statewide testing is checked off here.

- *I can show others some of my best work that could be included in my state assessment.*

Transition Services/Linkages:

This is a list of services that I may need after I graduate/exit school. My teacher gives me this list too!

- *I have a list of agencies/organizations/individuals to share with others or contact if I need more information.*

Age of Majority:

The legal age of majority in Massachusetts is eighteen.

- *I am _____ years old.*
