OPENING OF MEETING:

Good evening. This Open Meeting of the King Philip Regional School District is being conducted remotely consistent with Governor Baker's Executive Order of March 12, 2020, due to the current State of Emergency in the Commonwealth due to the outbreak of the "COVID-19 Virus." "Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, Section 20."

In order to mitigate the transmission of the COVID-19 Virus, we have been advised and directed by the Commonwealth to suspend public gatherings, and as such, the Governor's Order suspends the requirement of the Open Meeting Law to have all meetings in a publicly accessible physical location. Further, all members of public bodies are allowed and encouraged to participate remotely.

The Order, which you can find posted with agenda materials for this meeting allows public bodies to meet entirely remotely so long as reasonable public access is afforded so that the public can follow along with the deliberations of the meeting.

Ensuring public access does not ensure public participation unless such participation is required by law. This meeting will present public comment during that designated portion of the meeting. As directed in the posting, public comment should have been emailed to the superintendent of school prior to the start of the public comment section of the meeting and will be read by the superintendent on the commenter's behalf.

For this meeting, the King Philip Regional School District is convening by Zoom Meeting as posted on the District's Website identifying how the public may join. Please visit: www.kingphilip.org

Please note that this meeting is being recorded, and that some attendees are participating by video conference. All voted will be taken by roll call vote.

Transportation Base Price Bid Award:

Mr. Azer reviewed the transportation bid process and the specifications that were developed collaboratively by King Philip along with the three elementary districts and while they were unable to formally issue one collective bid together, many elements of the respective bids were updated to achieve a closer alignment to allow for such a possibility in the future. The specifications were sent to six vendors, with one bid from Holmes Bus Company being received.

Mr. Azer indicated that the bid specifications also included an alternate for a variety of start/end times. The pricing for the alternative start/end times far exceeded the District's budget capacity by approximately \$900,000.00. For this reason, Mr. Azer recommends against proceeding with looking at later start times. Discussion ensued that the District would revisit later/alternate start times and continue to monitor this matter with the elementary districts over the next few years.

- ✚ **A Motion was made by Mr. Cates, seconded by Mrs. DeStefano, to approve that the District award a three-year contract to Holmes Bus Company to provide regular education transportation in accordance with bid specifications, in the amount of \$232 per bus, per day for FY2022 - \$1,002,240; \$240 per bus per day for FY2023 - \$1,036,800; and \$250 per bus, per day for FY2024 - \$1,080,000.
