PICERNE FAMILY SCHOLARSHIP EVENTS

Our Scholarship group is growing, and we want to encourage connectivity between students and foundation members. The Foundation will host events during the year to bring our students together to share ideas, experiences, and give back to the community. Annual events include:

- **Luncheon:** Join us for lunch and networking! Held in June or July, an annual opportunity for all students to make connection with foundation members, fellow students, and parents.
- **Back to School Backpack Charity Event:** Held in late August, students get together to assemble backpacks with school supplies for less fortunate grade school children in our community.
- **Thanksgiving Food Bag Charity Event:** Held in mid-November, students assemble reusable grocery bags with non-perishable food items for Thanksgiving Dinner to be given to families in our community.

Our charity events are a great opportunity for students to positively impact their home community. All materials for our events will be provided by the Foundation. We are always looking for student suggestions for additional events to host and attend. Keep an eye out for event information and other Foundation news shared through email and Facebook group. We look forward to getting to know our students at these events!
