King Philip High School

School Committee Report

Submitted by Ashley Cleverdon

Monday, April 7th, 2025

School-Wide

Term three has just ended, and students are looking forward to finishing the year strong in term four!

Sports

All sports teams have played their first games and matches, and we look forward to seeing how their seasons unfold!

Clubs

KP Cares

KP Cares hosted a spring clothing and sneaker drive for their in-school Clothing Closet, with donations being collected all of March. On Monday, March 24, they held a Therapy Dog Day during the lunch block, where many students and staff stopped by to visit with the therapy dogs. In addition, KP Cares organized a card-making activity to express gratitude to local first responders for their dedication and service.

SADD

SADD is organizing the upcoming Miles for Maura 5K run/walk on Sunday, May 4th. This event honors Maura D. Howard. Students, staff, and community members are encouraged to participate in this meaningful run/walk as we all come together to support a great cause.

Investment Club

The Investment Club is our newest club and meets after school in Mr. Swansburg's room every other Tuesday! This is a great opportunity for students interested in careers in finance or those who simply want to learn how to invest.

NHS

The NHS held a prom fashion show on March 27 with honor society students modeling the clothing. The event was held for charity in memory of Davonte Johnson with 100% of the proceeds going to the Leukemia & Lymphoma Society for cancer research.

NHS also held a blood drive on March 31. The blood drive saved 54 lives. Our blood drive saved 54 lives! Many students donated for the very first time and had an excellent experience. Often when students become donors before they are 21, they continue to be donors throughout their lives.

Student Council

Earlier today after school, Student Council decorated the school for spring! Every staff member and student has their name displayed on a flower outside the library in the bus lobby. In celebration of Earth Month, we are also organizing various activities, including a makeup collection drive in partnership with Girl Up, where used makeup containers will be recycled. Additionally, we are sharing daily sustainability tasks on Instagram and providing Earth-themed coloring sheets in the library for students to enjoy.
