School Committee Report

Submitted by Ashley Cleverdon

Tuesday, June 15th, 2026

School-Wide

The Class of 2026 celebrated its graduation on June 7, marking the culmination of years of hard work and achievement. In the weeks leading up to graduation, seniors participated in numerous festivities, including Spirit Week, Awards Night, Field Day, the All-Night Party, and other traditions that celebrated their accomplishments and contributions to the school community.

Sports

Our King Philip spring sports seasons are coming to a close. Baseball had its final four game on June 9th at Holy Cross, and softball has also advanced into the final four.

Leo Club

Members sold glow sticks at the Norfolk Fireworks celebration to support club initiatives and engage with community members. The club also participated in Norfolk Community Day on June 13, where members operated a popcorn stand and hosted a LEGO activity table for children. Looking ahead, the Leo Club planned to participate in GillyHouse SummerFest on August 16 at the Wrentham Developmental Center, where members will host another LEGO activity table and promote the club's mission and activities to attendees.

Art Club

Art Club hosted several successful events throughout the year, including Fine Arts Night, Freshman Orientation, and Parents' Night Out. Looking ahead, Marleigh Brown will serve as president for the upcoming school year.

Coalition for Political Responsibility

The Coalition for Political Responsibility elected its officers for the 2026–27 school year: Rowan Kavanah (President, Class of 2027), Cole Soifer (Vice President, Class of 2027), and Lilianna Lopes (Communications Director, Class of 2028). The club looks forward to the new leadership team and the opportunities ahead. Their plans for the upcoming year include commemorating the 250th anniversary of the Declaration of Independence through a variety of activities designed to increase student awareness, explore the document's historical significance and continued relevance, and engage with policymakers on how current policies reflect its enduring ideals.

Student Council

Student Council is winding down and supported the 8th Grade Dance by providing volunteers to assist with event setup and worked with Wrentham with one of their year end events.

Student Council has also begun planning for this summer's New Student Orientation on August 26th, with a training day on the 25th. Initial discussions have focused on ways to help incoming freshmen feel welcomed and become familiar with the school community before the start of the academic year.

StuCo has also started early planning for next year's Homecoming activities. Beginning the process now will allow us to explore ideas, organize responsibilities, and prepare for a successful event.

Memo

To: Dr. Rich Drolet
From: Nicole Bottomley, KPRHS Principal
Date: May 27th, 2026 (*with proposed edits through School Committee member feedback compiled by Dr. Drolet on June 11th, 2026*)
Re: Proposed changes to the KPRHS Student Handbook, 2026-2027

Below are proposed changes to the King Philip Regional High School Student Handbook for 2026-2027.

Proposed Change: Field Trip p.23

Add to Current Language:

Bag searches will occur prior to departure for the trip. All medication must be on file with the Health Office and discussed with school nurses at least 2 school days in advance of departure for the trip.

Proposed Change: Student Attendance: Sports Showcase p.26

Add to Current Language:

These excused days only apply to the student athlete participating in the showcase. Siblings will not be excused.

OR Change to (proposed by School Committee member Eric Harmon):

These excused days only apply to the student athlete participating in the showcase. ~~Siblings will not be excused.~~

OR Change to (proposed by School Committee member Veronica Gonzalez):

Option #1: Excused days apply to the student athlete participating in the showcase. Siblings may be excused on a case-by-case basis upon advance approval by the administration.

Option #2: Sibling absences are generally not excused. However, a member of the administration may grant excused absences in extenuating circumstances or when warranted by family circumstances.

Option #3: These excused days are intended for the student athlete participating in the showcase. Sibling absences will generally not be excused except in exceptional family circumstances.

Proposed Change: College Visits p.28

Add to Current Language:

Visits to Trade Schools, Career Training Institutions, Job Core etc, are covered here as well.

Proposed Change: Student Fees, Fines, and Charges p.39

Add Class Dues:

To support student activities and events throughout high school, including senior year experiences, the school may implement a system of class dues. Rising costs associated with events such as caps and gowns, yearbooks, and senior activities, along with the limitations of fundraising alone, make a more sustainable and equitable approach necessary. Class dues allow for better long-term planning and help distribute costs over time, reducing the burden on student-led fundraising. Financial assistance will be available to ensure that all students have access to these experiences regardless of financial need.

OR Change to (proposed by School Committee members Bruce Cates):

The school may implement a system of class dues to support student activities and events throughout the high school years. The purpose is to defray costs associated with class-wide events related to senior activities such as Prom or Senior Trip, for example. The funds raised each year for each Class will remain with that Class as the students advance through their high school experience. The funds will help reduce the number of fund-raising events that burdens each class for multiple events. Class Dues will allow for better long-term planning and help distribute costs more evenly over time. Financial assistance will be available to ensure that all students have access to these experiences. The Class Dues will be set annually by School Administration and shall be between \$25 and up to a maximum of \$60. The set fee shall be communicated prior to each school year.

OR don't add Class Dues yet (and possibly develop a policy through the KP Policy Subcommittee and explore for the 2027-2028 school year)

Proposed Change: Graduation Ceremony p.81

Add to Current Language:

All graduation requirements must be met prior to graduation in order to participate in the graduation ceremony, including all obligations met (financial, disciplinary, academic etc.).

Proposed Change: Student Activities & Athletics Code of Behavior p.94

Current Language:

Extracurricular Suspension:

Offenses that threaten the safety of the King Philip Regional High School community or violate the spirit of positive participation in student life may carry up to an additional six week extracurricular suspension.

Change to Current Language:

As a spectator, if a student is removed from an athletic game parent/guardian is contacted and a warning is issued for the first offense. For a second offense the student is removed for the remainder of the season. For a third offense the student is removed for the remainder of the school year and future participation is assessed. If the nature of offense is egregious it might result in escalating through the consequences.

OR Change to (proposed by School Committee member Bruce Cates):

If a student, while attending a school-sponsored event as a spectator, is removed for conduct that violates the standards of positive participation in student activities, the school shall notify the student's parent or guardian and issue a warning for a first offense. For a second offense, the student shall be prohibited from attending school-sponsored athletic events for the remainder of the applicable sports season. For a third offense, the student shall be prohibited from attending school-sponsored athletic events for the remainder of the school year and may be subject to additional disciplinary action in accordance with applicable school and district policies. In cases involving serious or egregious misconduct, the school may impose more severe consequences consistent with applicable policy and law.

Proposed Change: Senior Privileges p.97

Current Language:

Absences meet the federal definition for chronic absenteeism (missing at least 10 percent of days in a school year for any reason, including excused and unexcused absences)

Change to Current Language:

Absences - any student who has more than 5 unexcused absences (Absent Unexcused - AUX, Dismissed Unexcused 18 - DU18, Absent Notified - AN) in a term. Students with excessive AV (absent verified) will have their attendance reviewed and may lose privileges.
